EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Ralston on 5/21/08.

The application has been amended as follows:

Cancel claim 27.

Amend claim 26 as follows:

26 (Currently Amended) A method of making electrical connections between a first electronic component and a second electronic component, comprising:

fabricating a plurality of spring contact elements directly upon the first .electronic component, the spring contact elements each having a tip end which is spaced above a surface of the first electronic component and at least one of the plurality of spring contact elements being a different size than others of the plurality of spring contact elements; and

bringing the first electronic component together with a second electronic component so that the tip ends of the spring contact elements axe in electrical contact with corresponding terminals on the second electronic component.

wherein the first electronic component is an active semiconductor device; and

the second electronic component is a test substrate; further comprising:

Art Unit: 2813

powering up the active semiconductor device while maintaining the tip ends of the spring contacts in electrical contact with the terminals of the second electronic component.

Allowable Subject Matter

Claims 26, 29-35 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art of record fails to teach nor suggest the limitations of claim 26 in combination as recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
